

## 2009 Transportation Economic Development Fund - Category A Grant Application Planning Guide

**To assist grant applicants with project timeline planning**

The following schedule is offered in order to allow applicants to reasonably plan project timelines for potential grant applications. This grant program does not have a defined call for projects. Applications are accepted year-round. Applications that are selected for funding may receive awards for funding in the current or a future state fiscal year. Missing or inaccurate application information may delay a grant request into the next selection review cycle. For further details, contact the [MDOT Grant Coordinator](#) for your region.
